

## Keynote: Secret Service

# Threat Assessment: A Behavior-Based Approach to Preventing Targeted Violence

Ensuring the safety of our communities is a responsibility that belongs to everyone. To inform these efforts, the U.S. Secret Service National Threat Assessment Center (NTAC) will present on the findings and recommendations from its latest research, which indicates that targeted violence is preventable. The session will highlight past incidents as well as focus on using a multidisciplinary approach to identify, assess, and intervene with individuals exhibiting concerning or threatening behaviors as early as possible.

This is **NOT** active shooter response training.
