

## Board Policies

### **ADMINISTRATIVE AFFAIRS**

#### **134.00 CAMPUS CONDUCT**

Cowley College shall protect the safety and well-being as well as ensure a safe and secure learning environment for individuals of the college community. This policy sets forth the expectations of acceptable conduct by any person at any College location or College-sponsored event. Individuals are expected to conduct themselves responsibly at all times on college owned or operated property, while participating in any course, activity, or event, and while representing the College either on or off campus. Acts of incivility or other behaviors which interfere with or detract from the general operation of the College or the learning-centered environment, or create potential safety risks are not acceptable. This policy is intended to maintain a positive atmosphere where educational, personal, and social growth is available to each member of the college community.

Policy 134.00 will be implemented in process through Procedure AP 134.00.
