AMBUSH

Cowley College Welcomes the 2025 Fall Student Body!

Cowley College reports information about the students enrolled on the census or "20th day" to the State of Kansas and IPEDS every fall. 2,300 students were actively attending classes on the 2025 fall census day with 93 of those students arriving on campus from an international location.

A quick look at a map of the United States shows the highest concentration of students currently living in the State of Kansas (2,158) with the second highest number of students living in the State of Oklahoma (88).

2025 Fall Census Day Summary Information

98% of the college students enrolled on the 2025 fall census day plan to complete the requirements for a degree or certificate while at Cowley College.
