1. New Program Approval
   • A-EMT: Advanced Emergency Medical Technology. A certificate that provides more training beyond the EMT but not as much as a full Paramedic program. Requires no additional equipment and will target existing career EMTs to get advanced training.
     - Three certificates will be available
       - Certificate A – 24 credit hours (AEMT 1 and AEMT 2)
       - Certificate B – 36 credit hours (EMT, AEMT I and AEMT 2)
       - Certificate C – 51 credit hours (above courses and 15 credits of General Education)

Gary Wilson introduced and moved the adoption of the following resolution:

RESOLVED, that the Board of Trustees approves the Advanced EMT Certificates A, B, and C as presented.

The motion was seconded by Dr. Alan Marcotte and the following votes were cast:

B. Trustee Finance Subcommittee –
Gary Wilson provided an overview of the October 11, 2022 meeting.

1. Financial Aid Software -
The Financial Aid office has requested approval for the Implementation and Change from PowerFaids to Jenzabar Financial Aid. Our current Financial Aid Database, PowerFaids, is going away in 2025 and we are required to change platforms.

We have 3 vendors with products that we have researched and received demonstrations for comparison purposes. Both our IT department and the Financial Aid department have reviewed these products and held discussions with various other schools using the different platforms to ensure an educated and appropriate decision was made.

We would like to move forward with the transition from PowerFaids to Jenzabar Financial Aid based on the following:
- The Jenzabar Student and Parent portal is advanced and user friendly which will assist our student population in completing the financial aid process.
- The other areas within Cowley already run on Jenzabar so this will allow for more streamlined processing with all departments and interactions between Financial Aid and enrollment, scholarships, and billing.
- The Jenzabar FA system is a site license, unlike PowerFaids, so we have unlimited user access and we can have more users that our previous 5 which always caused issues.
- Jenzabar is the least costly option and favored by our teams.

Current PowerFaids Cost: $22,075/year

**Our Jenzabar quote was offered before a price increase was rolled out. Per our Account rep, we are grandfathered in but will need a contract signed by 10/31/22. Otherwise, the pricing will increase to $240/hour which will make also increase our Implementation fee to $46,080.

Gary Wilson introduced and moved the adoption of the following resolution:

RESOLVED, that the Board of Trustees authorizes the College to purchase the Jenzabar financial aid software at a cost of $21,400 per year, with a $35,520 one-time implementation fee.

The motion was seconded by Bob McGregor and the following votes were cast:
