

**COWLEY COLLEGE
& Area Vocational Technical School**

COURSE PROCEDURE FOR

**AQUATIC FITNESS III
HPR6363 1 Credit Hour**

Student Level:

This course is open to students on the college level in either Freshman or Sophomore year.

Catalog Description:

HPR6363 - AQUATIC FITNESS III (P) (1 hr)

An aquatic fitness class designed around an independent study plan. The course is designed to encourage students to use the water in their overall fitness plan. Students will be able to recognize that swimming uses all major muscle groups in the body, as a result provides the body with excellent overall conditioning as well as aerobic benefits. Athletes will find this work out to be beneficial for off season training as well as cross-training.

Prerequisites:

None

Controlling Purpose:

This course is designed to encourage students to use the water in their overall fitness plan.

Learner Outcomes:

Upon completion of the course, the student will be able to use the water in their overall fitness plan.

Units Outcomes and Criterion Based Evaluation Key for Core Content:

To develop personal water workout program for overall fitness. Students will recognize that swimming uses all major muscle groups in the body. Students will recognize that swimming provides an excellent overall conditioning as well as aerobic benefits. Athletes will find this work out to be beneficial for off season training rehabilitation as well as cross-training.

Evaluation Key:

- A = All major and minor goals have been achieved and the achievement level is considerably above the minimum required for doing more advanced work in the same field.
- B = All major goals have been achieved, but the student has failed to achieve some of the less important goals. However, the student has progressed to the point where the goals of work at the next level can be easily achieved.
- C = All major goals have been achieved, but many of the minor goals have not been

achieved. In this grade range, the minimum level of proficiency represents a person who has achieved the major goals to the minimum amount of preparation necessary for taking more advanced work in the same field, but without any major handicap of inadequacy in his background.

- D = A few of the major goals have been achieved, but the student’s achievement is so limited that he is not well prepared to work at a more advanced level in the same field.
- F = Failing, will be computed in GPA and hours attempted.
- N = No instruction or training in this area.

UNIT 1: ACQUATIC SWIMMING						
Outcomes: Upon Completion of this unit, students will be able to successfully...						
A	B	C	D	F	N	Specific Competencies
						Demonstrate the ability to:
						Recognize that swimming uses all major muscle groups in the body.
						Students will develop a personal program for maintaining muscular strength, endurance and cardiovascular conditioning.

Projects Required:

Textbook:

Contact Bookstore for current textbook.

Materials/Equipment Required:

Appropriate swimming suit required. Goggles recommended.

Attendance Policy:

Students should adhere to the attendance policy outlined by the instructor in the course syllabus.

Grading Policy:

The grading policy will be outlined by the instructor in the course syllabus.

Maximum class size:

Based on classroom occupancy

Course Time Frame:

The U.S. Department of Education, Higher Learning Commission, and the Kansas Board of Regents define credit hour and have specific regulations that the college must follow when developing, teaching, and

assessing the educational aspects of the college. A credit hour is an amount of work represented in intended learning outcomes and verified by evidence of student achievement that is an institutionally-established equivalency that reasonably approximates not less than one hour of classroom or direct faculty instruction and a minimum of two hours of out-of-class student work for approximately fifteen weeks for one semester hour of credit or an equivalent amount of work over a different amount of time. The number of semester hours of credit allowed for each distance education or blended hybrid courses shall be assigned by the college based on the amount of time needed to achieve the same course outcomes in a purely face-to-face format.

Refer to the following policies:

[402.00 Academic Code of Conduct](#)

[263.00 Student Appeal of Course Grades](#)

[403.00 Student Code of Conduct](#)

Disability Services Program:

Cowley College, in recognition of state and federal laws, will accommodate a student with a documented disability. If a student has a disability which may impact work in this class which requires accommodations, contact the Disability Services Coordinator.
