Catalog Description:

HVS6558 - VARSITY TRACK AND FIELD IV (P) (1 hr)

Student participation in track and field on an intercollegiate level.

Prerequisites:

None

Controlling Purpose:

This course is designed to help the student increase their knowledge concerning all aspects of the sport; Track and Field

Learner Outcomes:

Upon completion of the course, the student will be able to understand the sport of track and field and the proper training methods for each event.

Units Outcomes and Criterion Based Evaluation Key for Core Content:

The following outline defines the minimum core content not including the final examination period. Instructors may add other material as time allows.

Evaluation Key:

- A = All major and minor goals have been achieved and the achievement level is considerably above the minimum required for doing more advanced work in the same field.
- B = All major goals have been achieved, but the student has failed to achieve some of the less important goals. However, the student has progressed to the point where the goals of work at the next level can be easily achieved.
- C = All major goals have been achieved, but many of the minor goals have not been achieved. In this grade range, the minimum level of proficiency represents a person who has achieved the major goals to the minimum amount of preparation necessary for taking more advanced work in the same field, but without any major handicap of inadequacy in his background.

- D = A few of the major goals have been achieved, but the student's achievement is so limited that he is not well prepared to work at a more advanced level in the same field.
- F = Failing, will be computed in GPA and hours attempted.
- N = No instruction or training in this area.
