Steps to Enroll

Applying is free and takes just a few short minutes to complete. This enrollment guide explains the Application process. After reading the instructions, simply go to Apply Online, fill out an application, and hit “submit,” and you will have taken the first step to becoming a Cowley Tiger!

Go to Cowley’s Career Clusters chart to view our 70 Degrees & Programs Plans. This chart lists the programs and degrees that Cowley College offers by career clusters. Click on a button to view a Degree/Certificate Grid that has a Plan of Study that outlines which courses you should take each semester. Meet with an advisor to discuss your educational goals.

If you want to be involved in a rich campus environment, including performing arts, sports, clubs and activities, and campus housing/dining, the campus in Ark City KS is the place for you. If you want to focus on Emergency Medical Services or Allied Health careers, then the Allied Health Center in Winfield KS is the best choice. If you want to live at home and take courses in a small, friendly educational center, then the Mulvane Center in Mulvane KS is right for you. If you are interested in Career & Technical Education, our technology centers are on the Ark City campus and in Mulvane KS.

Wichita Downtown Center is centrally located in the heart of Wichita offering hybrid courses to provide affordable course work in a convenient blend of online and classroom instruction. If you want to take courses online, Cowley College Online is perfect for you.

This Enrollment Guide includes information about Cowley College Locations. Once you have a Plan of Study and a Location selected, the next step is to see what courses you should take for the upcoming semester. Go to www.cowley.edu/schedules when enrollment for a semester begins. Select a semester. Select a sort by Department, Location, eLearning Mode, Session, and Time. All classes sorted by your criteria will be displayed.

You are now ready to enroll. If you are a new student, Admissions’ representatives will help you with paperwork, assessment testing, financial aid, degree planning, and enrollment.

This Enrollment Guide includes information you need to proceed through this final step.

**Admissions Information**

**ADMISSIONS POLICY**

Cowley College welcomes students from across the United States and around the world. Admission to Cowley College is open to all individuals who can academically benefit from its educational programs. However, Cowley College reserves the right to deny a student admission or readmission if it is determined to be in the best interests of the college community to do so or if the college is unable to provide the services, courses or program(s) needed to assist the student in meeting educational objectives.

**NEW STUDENTS**

Before full admission can be granted, students must:

1. Complete a free Application for Admission. To Apply Online, go to www.cowley.edu/apply/index.html.
2. Submit final high school transcript or GED results to the Admissions Office.
3. Provide ACT scores, if available.
4. Unless exempt from assessment based on ACT scores, take course placement assessment at one of Cowley’s Students Services’ location prior to enrolling at any of our campus/center locations. Contact Students Services for time and location of testing.
   If you are an online student and unable to visit a Cowley College campus/center in person, special arrangements can be made if placement assessment testing is necessary. Contact us to make other arrangements. Email admissions@cowley.edu or call 620.441.6335.
5. Enroll with an Admissions Representative at any of our locations. Locations information is listed above. Instructions for enrolling are below in the ENROLLMENT section.
6. Applicants may be provisionally admitted for a maximum of twelve (12) credit hours pending submission of the required documents.

RETURNING COWLEY STUDENTS
   If your last date of attendance at Cowley College was prior to the fall 2016, you must complete a new Online Application. Please contact the admissions staff if you have questions.

TRANSFER STUDENTS
   In addition to completing all required steps for New Students, Transfer Students should submit official transcripts for all college coursework.

GUEST STUDENTS
   Students of other colleges and universities and other applicants not seeking a degree from Cowley College should submit the Online Application. Guest students may earn a maximum of twelve (12) credit hours. To enroll in additional hours, the student must first be fully admitted by following the steps for New Students.
   Guest students who have completed a college degree will be exempt from the credit hour limit. Students in this category are considered non-degree seeking and will not declare a major.

HIGH SCHOOL STUDENTS
   High School students who wish to be concurrently enrolled with Cowley College will need to complete the on-line application as well as a Fast Track (high school permission) form, which includes written permission from their high school principal and parent/guardian.
   Two categories of high school students can take college-level courses at Cowley College prior to graduating from high school:
   1. High school sophomores, juniors, seniors, or other students who are classified as educationally “gifted” and who have a current Individual Education Plan (IEP) may qualify for concurrent enrollment.
   2. High school juniors and seniors that are interested in a Career and Technical Education program may qualify for the tuition-free program.
   For more information regarding High School concurrent enrollment and the requirements of the program, go to www.cowley.edu/admissions/hspartner.

INTERNATIONAL STUDENTS
   Cowley College welcomes and accepts for admission students from around the world that are able to meet certain academic, language, financial requirements, and U.S. Citizenship and Immigration Services (USCIS) requirements.
   An international student (new or transfer) must successfully complete all steps for Admissions to Cowley College, including:
   1. Complete an Application for Admission
   2. Arrange for approved payment terms
   3. Provide Transcripts, Diploma
4. Demonstrate English Proficiency
5. Submit a Cowley College Affidavit of Sponsorship
6. Carry Current Health Insurance

When an international student (new or transfer) arrives at Cowley College, the student must complete these steps:
1. Present their I-20
2. Present their I-94 Departure Record
3. Show their Passport
4. Give payment of tuition and fees
5. Complete a Course Assessment Placement test in Math and English
6. Take a Quantiferon TB test with the campus nurse

All International Students, including those students that have attended another college in the USA, should go to www.cowley.edu/international for step-by-step procedures for gaining admission to Cowley College.

International students interested in attending Cowley College, please email international@cowley.edu.

**NOTICE:** Please be aware, Cowley College is an open admission college, and we have NO FORMAL agreements with any outside organization or individuals to assist you with gaining admission.

**COURSE PLACEMENT ASSESSMENT**

Cowley County Community College offers many programs, services, and classroom activities to promote and support student connections and success in the learning process. Mandatory assessment and placement in basic skills courses is an important first step. Ensuring that students begin academic courses at the appropriate level is critical in helping students become involved in the learning process. Such placement allows students to connect with other students with common academic challenges and abilities as well as build the necessary academic skills to move forward.

1. Students who are seeking a degree or certificate or are registering for 12 or more credit hours are required to complete placement tests in English reading, English writing, and mathematics. Students registering for fewer than 12 credit hours are required to complete placement tests in English reading, English writing, and mathematics prior to registering for English composition or math courses, or after attempting 12 credit hours. Once the student has attempted 12 credit hours, they will be put on "Assessment Hold" and not allowed to enroll until assessment requirements are fulfilled. All or part of testing may be waived by providing documentation of one of the following:
   - For English writing: An ACT English score of 20.
   - For English reading: An ACT Reading score of 18.
   - For Mathematics: An ACT Mathematics score of 19.
   - A college degree from an accredited institution. Appropriate mathematics and English courses must have been taken.
   - An official college transcript from the last three years listing the writing, math, or reading prerequisite courses completed with a grade of a "C" or better.
   - Assessment results within the last three years from another institution.

2. After students are assessed they are placed into the appropriate course. Students must successfully complete the required course(s) to move to the next level of coursework. Once a student begins a math course sequence, they cannot retest or skip a course level. Placement is enforced through the student registration system. It is also monitored after grades are posted at the end of each semester. Students who do not complete required coursework with a grade of "C" or better are notified and required to re-register for the course.

3. Cowley County Community College provides students with the opportunity to retest one time at the beginning of their course sequence if they feel their initial assessment results do not adequately reflect their ability. The fee for retesting is $5. If the student still feels the placement is inaccurate, they may appeal to the Student Affairs Committee. This
committee will review any evidence submitted by the student and make a final decision regarding the student’s appropriate placement. The decisions made by the Student Affairs Committee will be final.

4. To ensure you have the most accurate information, go to Cowley College Policy & Procedures.

PROGRAMS WITH SELECTIVE ADMISSION

Career and Technical Education:
Accommodations cannot be made for students who are colorblind.

Cosmetology:
The clinical experience may require prolonged standing and walking, lifting, carrying, stooping and kneeling; fine motor skills using the wrists, hands and fingers; occasional exposure to chemicals.

Home Health Aide:
Kansas law requires that students enrolling in a medication aide course hold current CNA certification and read at or above the eighth grade level as assessed by TABE. Accommodations cannot be made for students assessing.

Medication Aide:
Kansas law requires that students enrolling in a medication aide course hold current CNA certification, be 18 years of age and read at or above the eighth grade level as assessed by TABE. Accommodations cannot be made for students assessing.

Mobile Intensive Care Technician:
The paramedic program has a limited number of openings for each class and has specific entry-level admission requirements that must be met before selection for the program. Three classes must be completed before entering the program: (1) Composition I, (2) Anatomy & Physiology, and (3) EMT. It is highly recommended that all Associate of Applied Science degree pre-requisites be completed prior to entry. Students must contact the program Web site for online application submission.

Music Department:

PROOF OF RESIDENCY

Students applying for admission to Cowley College must identify their proper residence classification.

Different tuition rates apply to residents of Cowley County, other Kansas counties, Oklahoma, other USA states, and International that take courses on the main campus and/or any of Cowley’s Academic Centers.

Residency status is determined by procedures consistent with Kansas statutes. Generally, residency is determined by length of residence in the state and proof of intent to remain in the state. To be classified as a Kansas resident, a student must have lived in the state for a minimum of six months prior to the first day of classes and must produce three of the following:

1. Receipt for purchase of Kansas license tags dated at least six months prior to the first day of the term.
2. Receipt for payment of Kansas property taxes, dated at least six months prior to the first day of the term.
3. Employment verification or payroll check stubs (6 monthly stubs or 12 stubs if paid bi-weekly) from a Kansas employer or school attendance at a Kansas community college commencing six months prior to the first day of the term.
4. Copy of voter registration in the state of Kansas dated six months prior to the first day of the term.
5. Copy of Kansas driver’s license dated at least six months prior to the first day of the term.
6. Consecutive utility receipts and/or rent receipts for the six months prior to the first day of the term. (Receipts for each of the six months.)
7. Verification (must be notarized) from a Kansas resident that the student has resided with him/her/them for at least six consecutive months prior to the first day of the term.

Note: Students who were recruited for employment purposes should contact the Registrar’s office for further information.

The following persons and their spouses and dependents may be considered residents of the state of Kansas for tuition purposes:

1. Persons who are in active military service of the United States.
2. Persons who are current military personnel, National Guard personnel, veterans, military spouses, and dependents who are attending post-secondary education institutions and are eligible to receive educational assistance under federal law granting such assistance to veterans, regardless of their length of residency in Kansas. The person must be continuously enrolled and file a letter of intent to establish residency in Kansas.
3. Persons who are full-time employees of a community college and their dependents.

Resident aliens are international students who have been granted permanent resident status by the USCIS. To qualify for in-state tuition, a student must present their resident alien card at the time of application for admission. Students who cannot provide this documentation will be classified as non-residents and will be required to pay out-of-state tuition until the resident alien card is presented.

Resident aliens may enroll part-time or full-time and are not governed by the regulations for F-1 international students.

Students who disagree with their classification as a non-resident for tuition costs may file a written appeal within two weeks of the date of enrollment with the Registrar’s office. The payment of tuition as originally assessed shall be a condition of the right to appeal residency classification. Failure to file an appeal within the time and in the manner specified makes classification by the Registrar final.

**Enrollment**

If you have decided on a Degree/Certificate program, the Plan of Study for that program will indicate which courses or electives you should take each semester.

Enrollment for Fall and Summer classes begins in late March and enrollment for Spring classes begins in late October. Class Schedules offered for each semester/session are listed at www.cowley.edu/schedules. Select a semester. Select a sort by Department, Location, eLearning Mode, Session, and Time. All classes sorted by your criteria will be displayed.

Once a student has completed requirements for admission to Cowley College, registration for classes may begin as soon as enrollment has opened for a semester.

Note: Students who enroll in classes will be held responsible for payment of tuition and fees. Tuition and fees will be credited back to the student’s account ONLY if the student officially withdraws from classes prior to the start of the semester or within the refund period. Students should have payment arrangements in place prior to the first day of classes each semester.

**DEVELOP AN EDUCATIONAL PLAN**

Before you enroll, make a plan that ensures you meet your educational goals. Cowley College offers a wide variety of courses specifically designed for transfer. This enables you to complete your
first two years of coursework leading toward a bachelor’s degree in virtually any field of study at a four-year college or university.

The keys to a successful transfer are to start planning immediately and to select your coursework carefully. Cowley’s academic advisors are available to help you develop an education plan.

In addition to the general articulation set forth by the Kansas Board of Regents between community colleges and the Kansas Regent Universities, Cowley College has articulation agreements with major universities for transfer of certain associate degree programs into specific baccalaureate degrees and programs. Articulation agreements include Kansas Universities, Southwestern College, University of Phoenix, American Public University (APU), National American University (NAU), Northwestern Oklahoma State University, Missouri South State University, DeSales University, Ashford University, and Bellevue University.

For more information, go to www.cowley.edu/academics/transfer/universities.html.

STUDENT COURSE LOAD

For financial aid purposes, a student is considered full-time when enrolled in twelve (12) credit hours. However, most students enroll in 15-16 credit hours as full-time students. The standard course load for the summer term is nine (9) credit hours.

Students may petition their advisor to exceed these standards for up to nineteen (19) credit hours upon presentation of justifiable needs and better than average scholastic records. Permission must be obtained from the Vice President of Academic Affairs in order to exceed nineteen (19) credit hours.

NEW STUDENTS

New students need to arrange a meeting with Admissions at any Cowley College location. Students who plan to take a college level English or mathematics class or who are seeking a degree or certificate may be required to take all or part of the course placement assessment. If the student has taken college coursework we will need the official transcript from school(s) attended. Cowley College will accept unofficial copies to enroll but will require an official transcript.

Admissions will assist the student in course selection and degree or certificate planning based on career interest and assessment results. Students will work with an admissions representative who can assist them with enrolling in Tiger Connect.

New First Time, Full Time Freshmen should be enrolled in New Tiger Orientation. New Tiger Orientation will meet once in the summer and then on the assigned day before fall classes begin. Students can contact admissions with questions at admissions@cowley.edu or call (620) 441-6335.

CURRENT STUDENTS

Current students may be released to enroll themselves online through Tiger Connect; however, students are encouraged to meet with an advisor to discuss courses appropriate for their academic goals. It is the students’ responsibility to schedule the enrollment appointment with their advisor once enrollment has begun. It is best to enroll as early as possible. Students who do not have an advisor can arrange an enrollment appointment with Admissions at any Cowley College location. Students with unpaid balances will be placed on enrollment hold until balances are cleared.

RETURNING COWLEY COLLEGE STUDENTS

Returning students need to arrange a meeting with Admissions at any Cowley College location. Admissions will assist the student in course selection and degree or certificate planning. Once courses have been selected and entered into the system, the student will receive a printed schedule and a billing statement.

If you are only taking online classes, you can contact admissions for help with degree selection and enrollment procedure. Email admissions@cowley.edu or call 620-441-6334.
When a student returns after three or more years or degree requirements have changed and wants to complete an Associate of Applied Science degree, they will be required to follow graduation requirements that are in effect at the time of re-enrollment.

**TRANSFER STUDENTS**

Transfer students need to arrange a meeting with Admissions at any Cowley College location. Admissions will assist the student in course selection and degree or certificate planning. Once courses have been selected and entered into the system, the student will receive a printed schedule, which will also include a billing statement.

If you are only taking online classes, you can contact admissions for help with degree selection and enrollment procedure. Email admissions@cowley.edu or call 620-441-6334.

Hours accepted from another institution to Cowley College are reflected on the Cowley College transcript and can be used as hours toward graduation. However, the GPA on a Cowley College transcript reflects the GPA only for hours taken at Cowley College.

Cowley College will accept all Board of Regents approved vocational-technical school postsecondary program credits for evaluation and transfer to college credit.

**GUEST STUDENTS**

Once a student has completed requirements for admission to Cowley College, registration for classes may begin as soon as enrollment has opened for a semester.

Guest students need to arrange a meeting with Admissions at any Cowley College location. Admissions will assist the student in course selection and degree or certificate planning. Once courses have been selected and entered into the system, the student will receive a printed schedule, which will also include a billing statement.

If you are only taking online classes, you can contact admissions for help with degree selection and enrollment procedure. Email admissions@cowley.edu or call 620-441-6334.

**HIGH SCHOOL STUDENTS**

FastTrack or CAPSS (Concurrent Academic Partnership for Secondary Students) is a program that provides an opportunity for qualified high school students to earn college credit prior to graduating from high school. Some high schools allow the college credits earned to also count as dual credit towards their high school requirements.

Cowley College offers two distinctly different programs for high school students.

**Academic Programs**

High school sophomores, juniors, seniors, or other students who are classified as educationally “gifted” and who have a current Individual Education Plan (IEP) can take academic courses and earn college credit. Students must have a minimum 2.75 grade-point average and meet minimum assessment requirements. Students may enroll in a maximum of 11 credit hours per semester. For more information regarding High School concurrent enrollment and the requirements of the program, go to (www.cowley.edu/admissions/hspartners.html) or contact the Associate Vice President of Academics and Secondary Partnerships at 620.441.5247.

**Career and Technical Education programs**

Qualified high school juniors and seniors can enroll in Cowley College’s Career and Technical Education programs. The State of Kansas will pay tuition for qualifying Career and Technical Education classes, so students can take the fast-track toward earning a degree, certificate, industry-recognized credentials, or work-ready skills. Go the www.cowley.edu/freetuition for more information.

Students interested in enrolling in a Career and Technical Education program while in high school should contact their high school counselor for information on the selection process or call the Cowley College Career & Technical Education Department at 620.441.5279.
INTERNATIONAL STUDENTS
International students need to arrange a meeting with Admissions at any Cowley College location. Admissions will assist the student in course selection and degree or certificate planning. Once courses have been selected and entered into the system, the student will receive a printed schedule, which will also include a billing statement.

If you are only taking online classes, you can contact admissions for help with degree selection and enrollment procedure. Email admissions@cowley.edu or call 620-441-6334.

International students who have college or university credit from a foreign country may wish to have the foreign credit evaluated and transferred to United States college credit. There is a fee for this evaluation service. For more information, please contact the Registrar or Admissions.

Costs
Cowley College is committed to providing affordable education. The cost to attend Cowley College is significantly less that attending a university or private school. Costs include tuition, fees, books, housing, food, and miscellaneous expenses.

TUITION AND FEES
To view tuition and fees for the 2017-2018 Academic Year, go to www.cowley.edu/tuition.
Note: The Cowley College Board of Trustees has the right to change tuition and fees at any time without notice.

Cowley Campus/Centers—Tuition and Fees
Tuition is based on per-credit-hour and a student’s legal place of residency. Different tuition applies to residents of Cowley County, other Kansas counties, Oklahoma, other USA states, and International.

In addition, there is a fee based on per-credit-hour or per course.

Some courses have additional fees or expenses for tools and supplies. Most of these additional fees and expenses will be noted in the course listing in the Class Schedule.

Cowley College Online—Tuition and Fees
Tuition and fees for courses taught exclusively online through Cowley College Online are the same as for courses taught on Cowley Campus/Centers.

Online courses have an additional fee of $25.00 per credit hour. This rate does not include books or other miscellaneous expenses associated with an individual course.

For tuition and fees for the accelerated online program for Non-Destructive Testing, go to http://ndt.cowley.edu/tuition-scholarships/.

TEXT BOOKS
The Bookstore is proud to be a part of Cowley College and to support the educational mission of the institution. Cowley College owns and operates three bookstores for the convenience of our students and the communities that we serve; the Sid L. Regnier Bookstore on the Main Campus in Arkansas City, the Wichita Downtown Center Bookstore and the Online Bookstore at www.cowleycollegebooks.com. Visit www.cowleycollegebooks.com for a complete listing of textbook requirements for all Cowley College courses. Students will find course requirement information including textbook title, author, edition, ISBN, new and used prices, as well and rental and digital options.

HOUSING AND MEAL PLANS
The Cowley College Campus, located in Arkansas City KS, has six dormitories that offer student housing for 500+ full-time students. Each resident has the option to select a meal plan that best suits their needs. The cost of the contract will depend on the meal plan selected. For current housing costs, go to www.cowley.edu/student_services/housing/cost.html.

Living in Cowley’s dorms provides a complete meal package of your choice, 24-hour security,
free wireless internet service and a modem provided in each room, free on-site laundry facilities, free digital cable, central heating and air-conditioning, free wellness center membership, and computer labs/Study rooms in each dorm.

Students should plan ahead to secure housing accommodations. Rooms are assigned on a first-come, first-serve basis, and space is limited. Contact the Housing Office at 620.441.5289 or go to www.cowley.edu/student_services/housing for more information.

Payment of Tuition, Fees, and Plans

PAYMENT POLICY

Students are expected to settle all accounts with the college as they become due and payable. Students with outstanding accounts will not be issued transcripts and/or diplomas and may not enroll for another semester until such accounts have been settled.

Students who enroll early must pay one-hundred-percent of tuition and fees—not covered by scholarships, financial aid, or a monthly payment plan—prior to the first day of classes for a semester.

Students enrolling after the first day of classes for a semester must pay tuition and fees—not covered by scholarships, financial aid, or a monthly payment plan—at the time of enrollment.

Tuition and fees may be paid in person at the Arkansas City campus, Mulvane Center, and Wichita Center, mailed to 125 S. Second St., Arkansas City KS 67005, or paid online through their Tiger Connect Portal.

PAYMENT PLAN FOR STUDENTS

In an effort to assist you with budgeting your college expenses, Cowley College has made available a payment plan through Nelnet Management Company. Nelnet give you the option of monthly payments to help make the cost of higher education as affordable as possible. Nelnet offers a variety of online payment options, including payment in full, monthly budget payments, or down payments with monthly budget payments. Payments are processed via a credit card or automatic bank payments from checking or savings accounts. The only cost is a $30 per semester non-refundable enrollment fee to enroll in a payment plan. You may also make a full payment online FREE.

How the Payment Plan Works

Go to your Tiger connect through the Login Single sign on button or by selecting the ‘Tiger connect’ link located in the Logins & Links drop down menu. Both options are located at www.cowley.edu.

Click the “Student” tab from the top menu selection. From the left had menu, click the “Student Finances & Payments” link. From this page you can access account details by clicking “My Account Information.”

To set up a payment plan, click “Set up payment plan” under the ‘Payment Options’. Choose the number of installments you would like from options authorized by Cowley College. The sooner you sign up, the more options you will have available. Choose where automatic payments will come from—checking accounts, savings accounts, or credit cards. Pay $30 per semester for the service.

PAYMENTS FOR INTERNATIONAL STUDENTS

International students can use Flywire. Cowley College has partnered with Flywire to offer an innovative and streamlined way to make international tuition payments. Log into your Tiger Connect portal. Click the ‘Students’ tab and choose ‘Student Finance & Payments” link. You can select the Flywire button under ‘Payment Options’.

Students who enroll in classes will be held responsible for payment of tuition and fees. Tuition
and fees will be credited back to the student’s account only if the student officially drops classes within the refund period according to the Add/Drop policy.

RETURNED CHECK POLICY
Checks that are returned due to insufficient funds are electronically processed by a third party company and charged a $30 NSF fee. An insufficient funds check does not constitute payment and student records will be placed on hold until payment has been received.

REFUND OF TUITION AND FEES
Students may obtain a copy of Policy 410, REFUND OF TUITION AND FEES, online at www.cowley.edu/policy/policy410.html.

DROPPING A CLASS
To drop a class, the student must complete and submit a drop/add form or drop from their Tiger Connect account. Classes may not be dropped by telephone. For refund information, check with Admissions.

Refund dates for each class are found on the student schedule.

In rare occasions, a student may need to switch from one section of a class to another to better meet their needs. In such occasions, a drop/add form must be completed by the student and signed by both instructors. If this is requested after the drop/add deadline, it will require the aforementioned completed form and approval from the Vice President of Academic Affairs. The current grade from the first instructor will be transferred to the second instructor.

COURSE WITHDRAW
Students who wish to withdraw from a course after the refund date of the course is over will have a “W” grade recorded on their transcript and will be responsible for one-hundred-percent of their tuition and fees associated with that course.

COMPLETE WITHDRAWAL POLICY
A student who wants to withdraw from all classes, with the intention of not returning to college the following semester, must obtain the official complete withdrawal form from the Registrar’s office. The completed form must be submitted to the Registrar’s office.

Procedure for a complete withdrawal includes:
1. Obtain a COMPLETE WITHDRAWAL form from the Registrar’s office or advisor.
2. Meet with Enrollment Management staff to complete form.
3. Return form to Registrar’s office. A “W” grade will be recorded on the student’s permanent record if the withdrawal is after one-quarter of the semester has passed.

A complete withdrawal will have an adverse effect on Federal Aid and Veteran’s benefits.

Scholarships
Scholarships are available for full-time students that meet eligibility criteria for academics (including GED from Cowley), activities, athletics, and department. *Students may only receive one scholarship per semester with exception to Cowley College Foundation scholarships.
All scholarships can be completed online at http://www.cowley.edu/scholarships/index.html

DEPARTMENTAL/ACTIVITY SCHOLARSHIPS
1. New students must apply for admission before being considered for scholarships. If you are a returning Cowley College student, or have already applied for admission, continue to the next step.
2. Visit our Web site for individual online department or activity scholarship applications at http://www.cowley.edu/scholarships/index.html

Choose and complete each scholarship that you have an interest in. Scholarship
requirements are listed for each scholarship.

3. Apply for federal financial aid using the FAFSA (Free Application for Federal Student Aid).
4. Send a copy of current college (excluding Cowley College) and high school transcripts.

COWLEY COLLEGE FOUNDATION SCHOLARSHIPS

1. Visit our Alumni & Friends website to complete the online application on the Cowley College Web site: https://cowleyfoundation.org/scholarships/apply-for-a-scholarship/
2. Apply for federal financial aid using the FAFSA (Free Application for Federal Student Aid).
3. Send a copy of current college (excluding Cowley College) and high school transcripts.

Cowley College Foundation Scholarships can be stacked with academic, activity and departmental scholarships. They cannot be combined with athletics.

Please read the terms of your scholarship contract carefully as each scholarship has different criteria.

The priority deadline for fall scholarship applications is February 15.
The priority deadline for spring scholarship applications is October 15.

Financial Aid

The Financial Aid office will make every effort to meet the college-related costs of each qualified student based on eligibility criteria, satisfactory academic progress, and availability.

FEDERAL AID

Federal Financial Aid is available to those who qualify.

FEDERAL AID ELIGIBILITY

Students will be eligible for federal financial aid if they meet several important criteria:

- Demonstrate financial need (except for Unsubsidized Stafford Loans).
- Have a high school diploma, GED, or completion of a high school education in a home school setting that is treated as a home school or private school under state law.
- Be enrolled as a regular student working toward a degree or certificate in an eligible program. (You may not receive aid for e-learning courses unless they are part of an associate’s program.)
- Be a U.S. citizen or eligible non-citizen.
- Have a valid Social Security number.
- Meet Satisfactory Academic Progress standards set by the college you are attending. Cowley College will award federal aid up to 95 attempted credit hours. See progress policy for further guidance.
- Certify that you will use federal student aid only for educational purposes.
- Certify that you are not in default on a federal student loan and that you do not owe money back on a federal student grant.
- Comply with Selective Service Registration, if required. (Males age 18 through 25 must be registered with Selective Service to receive federal aid.)

FEDERAL AID APPLICATION PROCESS

Complete the Free Application for Federal Student Aid (FAFSA) with one of three options listed:

- Option #1: APPLY ONLINE - The quickest way to apply is online using FAFSA on the Web at www.fafsa.ed.gov
- Option #2: DOWNLOAD PDF VERSION - Go to www.FederalStudentAid.ed.gov and download a PDF version of the FAFSA.
• Option #3: REQUEST A PAPER COPY BE MAILED TO YOU - Call 1-800-4-FED-AID and request a paper application be mailed to you.

Each year the Department of Education selects a percentage of FAFSA applications for verification through a random selection process. Students selected for verification will have to provide additional documentation to the Financial Aid office to complete their financial aid file.

You must reapply for federal aid each new academic year.

STUDENT LOAN APPLICATION PROCESS

Students must be enrolled in and attending at least six (6) credit hours per semester at Cowley College to receive a Stafford loan. (Summer hours are calculated the same as any other semester. You still have to have six (6) credit hours to be eligible for a loan.)

How to Apply for a Direct Stafford Student Loan

2. Complete financial aid file, returning all requested documentation to the Financial Aid Office (if selected for verification).
3. Accept or Decline aid on your Financial Aid Portal.
4. Complete the online loan steps for Direct Stafford Loans at www.studentloans.gov. You must complete the Entrance Counseling and the Master Promissory Note (for subsidized/unsubsidized Stafford loans).
5. For Additional Unsubsidized Stafford Funds - Complete the request form on your Financial Aid Portal under the Additional Unsub Loan Request tab. Any funds requested with this form are in addition to the base loan(s) offered. Please borrow responsibly.

Once all of the above steps have been completed, the Department of Education (DOE) will send Cowley College notification of a loan to certify for that student. The Financial Aid Office will process the loan. The Department of Education will send the first disbursement of the Direct Stafford loan to the college via EFT (Electronic Funds Transfer) according to the disbursement dates requested by the school. The DOE will notify the student of the loan details by mailing them a Disclosure Statement. Funds will be credited to the students’ accounts and will pay unpaid charges in the following order: tuition, fees, books, dorm, and any other remaining charges. Any excess loan funds due to the student after the account is paid in full will be mailed to the student. (Make sure your address is current with the Admissions Office)

All student loans are processed in two disbursements. If the student is borrowing for only one semester, the loan will be disbursed in two checks within that one semester, with the second disbursement being at midterm. If the student is borrowing for the academic year (two semesters), the loan will be disbursed in one check each semester. Each disbursement will have an origination fee and a guarantee fee deducted by the DOE.

A disbursement schedule can be found at http://www.cowley.edu/finaid/disbursement.html. The dates listed on the disbursement schedule are the dates the refund checks will be placed in the mail. (The disbursement dates listed on the disclosure statement are the dates funds are made available to the school for processing) No refund checks will be released prior to the disbursement schedule dates. Loans processed after the initial disbursement schedule date will be mailed every Friday thereafter.

All student loan borrowers are subject to the Satisfactory Academic Progress Policy established by Cowley College. The policy can be found online at http://www.cowley.edu/finaid/policies.html. Students, who drop below six (6) credit hours before a loan is disbursed, will not receive that disbursement. The loan will be returned to the lender and cancelled.

Cowley College policy on loan limits per academic year (two semesters): Freshman (1-30 completed hours) $3500 year. Sophomore (31-or more completed hours) $4500 year. If a student applies for a loan for a single semester, the maximum allowed will be ½ of the yearly limit.

If a student wishes to borrow less on a Stafford Loan than the amount offered, simply adjust the amount on your Awards tab in the Financial Aid Portal when accepting. If requesting a one semester
loan, email financialaid@cowley.edu to verify the one semester loan amount and loan period requested. Otherwise, all changes to loan are assumed to be requested for the academic year.

Additional Unsubsidized Direct Stafford Loan funds are available to “Dependent” and “Independent” students. To request Additional Unsubsidized Direct Stafford funds, complete the request form (step #5 on previous page) on the Financial Aid Portal. The maximum limit on Additional Unsubsidized funds is $2000 per academic year for dependent students and $6000 per academic year for independent students. Eligibility for additional unsubsidized Stafford funds is determined on the students cost of attendance minus all other aid. Some students may not qualify for the full amount requested.

FINANCIAL AID AND PAYMENT OF ACCOUNT

Students who wish to have their federal aid (Pell Grants and/or Student Loans) considered for payment of tuition and fees must apply for federal aid and have complete financial aid files by August 1 for the fall semester, December 1 for the spring semester, and May 1 for the summer semester.

Students whose files are not complete by the deadline will be required to pay all enrollment costs by the payment due date for the semester and will be reimbursed once eligibility is established.

Financial aid will be applied toward the enrollment costs of tuition, fees, books, and on-campus housing first. Any remaining financial aid funds will be refunded to the student. If the amount of the financial aid awarded is not enough to cover the enrollment costs, the student is responsible for payment of the balance on their account.

SATISFACTORY ACADEMIC PROGRESS POLICY FOR FEDERAL AID RECIPIENTS

Cowley College recognizes the need to provide financial assistance to qualified students. Federal regulations require students receiving federal aid to make "satisfactory academic progress" in order to continue receiving federal aid. Progress of all students on federal aid will be measured at the end of each semester based on final grades and hours completed. The following procedures will be used to determine eligibility and the awarding of federal aid:

1. A student’s eligibility for federal financial aid will be evaluated on approved need, enrollment in a degree or a certificate program, satisfactory academic progress, and availability of funds.
2. Any student who has exceeded 95 attempted credit hours at is not eligible to receive Title IV aid at Cowley College regardless of whether or not financial aid had been used by the student previously.
3. Satisfactory Academic Progress (SAP) is defined as follows: The student must complete a minimum of 67% of the hours attempted with a grade point average of 1.75 or above each semester. The following cumulative GPA requirements must also be met:

<table>
<thead>
<tr>
<th>Hours Attempted</th>
<th>Cumulative GPA</th>
</tr>
</thead>
<tbody>
<tr>
<td>1-30</td>
<td>1.75</td>
</tr>
<tr>
<td>31+</td>
<td>2.00</td>
</tr>
</tbody>
</table>

4. The Financial Aid Office reserves the right to use professional judgment in monitoring cumulative GPA’s if a student has made satisfactory progress within the current semester.
5. Students who fail to meet SAP will be placed on financial aid warning status. Federal aid warning status is defined as a semester in which the student must achieve satisfactory progress or they will then be placed on financial aid denial in the following semester. Students who have been placed on warning status will not receive their federal aid during the warning semester until they have completed the Warning Acknowledgement and the Warning Quiz.
6. Students receiving federal financial aid who do a complete withdrawal from courses or who fail all enrolled courses will be placed immediately on financial aid denial status. Denied students are not eligible for financial aid of any kind, including Federal Direct student loans.
7. The student’s warning status for federal financial aid eligibility will be automatically
removed after he/she meets satisfactory academic progress during the warning semester. It is the student's responsibility to reapply for federal financial aid each year.

8. Students on federal financial aid denial will not be eligible for further federal aid funds at Cowley College until they have successfully completed and paid for six (6) credit hours of financial aid.

9. Students have the right to appeal federal financial aid denial by completing the Financial Aid Appeal form and submitting it to the Financial Aid Office. Students will be notified of the decision in writing to the address on file and through email.

If you have questions regarding this policy, you may contact the Financial Aid Office.

APPEAL PROCESS
Students receiving federal financial aid have the right to appeal a financial aid decision if they feel their academic performance or complete withdrawal can be attributed to special circumstances. The appeal process is as follows:

- Complete the Financial Aid Appeal Form and submit a letter of appeal to the Financial Aid Office.
- The appeal will then be presented to the Executive Director of Enrollment Management for review.
- The student will be notified by mail within a reasonable amount of time as to the decision to either reinstate financial aid or uphold the suspension.
- Questions regarding the Satisfactory Academic Progress policy may be directed to the Financial Aid Office.

REPAYMENT POLICY
Title IV recipients may be subject to repayment of federal aid as a result of official or unofficial withdrawals.

VERIFICATION POLICY FOR FEDERAL AID RECIPIENTS
All FAFSAs selected by the Central Processing System (CPS) will be verified 100% by the Financial Aid Office. Any FAFSA with an asterisk beside the EFC number on the Student Aid Report (SAR) has been selected.

Documentation required for verification (but not limited to) will be:

1. IRS Tax Return Transcript (for both the student and parents if applicable). Order this transcript at www.IRS.gov. (Copies of tax returns cannot be accepted)
2. Untaxed income such as deferred compensation, child support received and/or paid out, or workers compensation.
3. Student Certification Form (Print from your Financial Aid Portal)
4. Verification Worksheet (Print from your Financial Aid Portal)
5. High School Transcript, GED, or Home School Diploma.

The Financial Aid Office will inform the student by email of the verification process and what items will be needed to complete their file. Students will access their Financial Aid Portals to view documentation needed and print forms needed.

The Financial Aid Office reserves the right to select any file for verification that appears to have conflicting or incorrect information listed.

Students may turn in paperwork to complete their files in person, by email, mail, or fax to the following locations:

- Admissions - Ark City Campus: admissions@cowley.edu 620.441.6335
- Admissions - Mulvane Center: admissions@cowley.edu 316.777.3050
- Admissions - Wichita Downtown Center: admissions@cowley.edu 316.683.6013
- Financial Aid - Ark City Campus: financialaid@cowley.edu 620.441.5248
- International - Ark City Campus: international@cowley.edu 620.441.5245

2017-2018 Cowley College Enrollment Guide March 1, 2017
CONSORTIUM AGREEMENT POLICY

A Consortium Agreement is an agreement entered between two colleges for the purpose of determining and disbursing federal aid for a student who is enrolled in both colleges within the same semester. Only one college can disburse aid to a student within the same semester. The Consortium Agreement allows the “home” institution to include the hours and costs at the “host” institution when determining the student’s federal aid eligibility for the semester.

To initiate a Consortium Agreement, the student must provide a copy of their enrollment at the “host” institution to the Financial Aid office at the “home” institution. The “home” institution is the college that will be disbursing aid to the student. The “home” institution will send the Consortium Agreement to the Financial Aid office of the “host” for verification of enrollment and costs. The tuition and fee portion of the student budget will be adjusted to reflect the respective tuition rate for courses taken at each institution. The student’s aid eligibility will be determined based on the total number of hours enrolled and costs of the two colleges.

The student will be responsible for payment at the “host” institution according to their payment policy and deadlines. Cowley College will not send payments to the other college. All aid will be disbursed to the student according to Cowley College’s disbursement schedules.

Satisfactory progress will be monitored and administered according to the progress policy of Cowley College for the semester indicated in the agreement.

The student will be responsible for providing a completed grade transcript from the “host” college to Cowley College upon completion of the semester included in the agreement. Failure to provide transcripts of completed courses will result in the student’s records being placed on hold at Cowley College. No further aid will be processed at Cowley College until all transcripts of grades are received.

Students receiving Stafford Loans only must be enrolled in at least six (6) credit hours at Cowley College to initiate a Consortium Agreement.

Consortium Agreements must be renewed each semester. It is the student’s responsibility to initiate the process by informing the Financial Aid office of their enrollment.

STUDENT EMPLOYMENT PROCESS

Applicants must complete a Work Study Application and submit it to the Admissions Office. Applicant must complete the Free Application for Federal Student Aid (available in the Financial Aid office or online at www.fafsa.ed.gov). International students are exempt from this requirement. Work study positions are not guaranteed and are based on student eligibility of federal work study funds, available funds available for positions, and supervisor selections for open positions.

Student must complete required paperwork for payroll. This paperwork must be completed prior to their start date. Two forms of I.D. are required from the student. See the I-9 form for details on acceptable I.D. (Most common forms are a current Driver’s License and the Social Security Card). A Work Study Orientation will be held the week of student orientation. Students can complete the payroll paperwork at this session. Students are not to begin work until all payroll paperwork has been completed.

Scheduling of work hours will be at the discretion of the supervisor and subject to the allocated hours for that department. The work-study academic year is based on a 30-week schedule. Pay periods will be September, October, November, December, February, March, April, and May. Students are not required to work during finals, holidays, or spring break. Payroll checks are issued on the last business day of each month in the payroll office.

Veterans’ Education Benefits

Veterans and others who are eligible for education benefits must contact the Coordinator of Military Services at veterans@cowley.edu. Veterans are assisted in obtaining benefits for their selected benefit programs and in providing certification to the Veterans Administration.
Cowley College is approved for Veterans Administration training. Prospective students who are eligible for veterans’ benefits should file the proper forms with the VA to establish their eligibility. Each semester veterans must complete the Request for Certification form found on the Cowley College Web site, http://www.cowley.edu/va/va.html. Veterans who terminate college, withdraw from, or add classes during the semester should make certain that the Coordinator of Military Services is notified immediately. The veteran is responsible for providing the Coordinator of Military Services with complete information regarding current enrollment status. Failure to follow the adopted procedures of the VA or the college may result in the VA seeking financial recoupment from the veteran.

Veteran’s Standard of Progress Policy
The veteran must earn the following cumulative grade point average (GPA), depending upon the student’s total hours attempted:

<table>
<thead>
<tr>
<th>Hours</th>
<th>Cumulative GPA</th>
</tr>
</thead>
<tbody>
<tr>
<td>1-30</td>
<td>1.75</td>
</tr>
<tr>
<td>31+</td>
<td>2.00</td>
</tr>
</tbody>
</table>

Veteran’s Probation
Veterans who do not earn the required GPA will be placed on probation for the following semester. The veteran must complete a minimum of six (6) credit hours in a subsequent semester with a semester GPA of 2.00 in order to be removed from probation.

Veteran’s Suspension
Suspension will occur if a probationary veteran does not meet the probation requirements for reinstatement.

Veteran’s Reinstatement
A veteran will be reinstated upon the satisfactory completion of at least six (6) credit hours in a subsequent semester from which they were suspended with a semester GPA of 2.00 or better. In addition, there may be additional requirements by the Registrar that must be completed satisfactorily that are intended to help the veteran become a successful student. It is the veteran’s responsibility to reapply for benefits and to notify the certifying official that satisfactory progress has been met. The veteran has the right to appeal according to terms outlined in Cowley College Policy Handbook, policy 432.00.

Registration Guidelines

ASSESSMENT AND COURSE PLACEMENT
Cowley College offers many programs, services, and classroom activities to promote and support student connections and success in the learning process. Mandatory assessment and placement in basic skills courses is an important first step. Ensuring that students begin academic courses at the appropriate level is critical in helping students become involved in the learning process. Such placement allows students to connect with other students with common academic challenges and abilities as well as build the necessary academic skills to move forward.

1. Students who are seeking a degree or certificate or are registering for twelve (12) or more credit hours are required to complete placement tests in English reading, English writing, and mathematics. Students registering for fewer than twelve (12) credit hours are required to
complete placement tests in English reading, English writing, and mathematics prior to registering for English composition or math courses, or after attempting twelve (12) credit hours. Once the student has attempted twelve (12) credit hours, they will be put on "Assessment Hold" and not allowed to enroll until assessment requirements are fulfilled. All or part of testing may be waived by providing documentation of one of the following:

- For English writing: An ACT English score of 20.
- For English reading: An ACT Reading score of 18.
- For Mathematics: An ACT Mathematics score of 19.
- A college degree from an accredited institution. Appropriate mathematics and English courses must have been taken.
- An official college transcript from the last three years listing the writing, math, or reading prerequisite courses completed with a grade of a C or better.
- Assessment results within the last three years from another institution.

2. After students are assessed, they are placed into the appropriate course. Students must successfully complete the required course(s) to move to the next level of coursework. Once a student begins a math course sequence, they cannot retest or skip a course level. Placement is enforced through the student registration system. It is also monitored after grades are posted at the end of each semester. Students who do not complete required coursework with a grade of C or better are notified and required to re-register for the course.

3. Cowley College provides students with the opportunity to retest one time at the beginning of their course sequence if they feel their initial assessment results do not adequately reflect their ability. The fee for retesting is $5. If the student still feels the placement is inaccurate, they may appeal to the Student Affairs Committee. This committee will review any evidence submitted by the student and make a final decision regarding the student’s appropriate placement. The decisions made by the Student Affairs Committee will be final.

STUDENT COURSE LOAD

For financial aid purposes, a student is considered full-time when enrolled in twelve (12) credit hours. However, most students enroll in 15-16 credit hours as full-time students. The standard course load for the summer term is nine (9) credit hours.

Students may petition their advisor to exceed these standards for up to nineteen (19) credit hours upon presentation of justifiable needs and better than average scholastic records. Permission must be obtained from the Vice President of Academic Affairs in order to exceed nineteen (19) credit hours.

ADDING AND DROPPING A CREDIT CLASS

Adding a Credit Class

Students who wish to add a class after the beginning of the semester must do so within seven calendar days of the first class meeting for nine to 16 week classes, and within three calendar days of the first class meeting for eight-week classes. The last day to add a class less than eight weeks in length will be determined by the Registrar and published each semester. Students may not attend a course unless officially registered for the course.

Dropping a Class

To drop a class, the student must complete and submit a drop/add form or drop from their Tiger Connect account. Classes may not be dropped by telephone. For refund information, check with Admissions.

Refund dates for each class are found on the student schedule.

In rare occasions, a student may need to switch from one section of a class to another to better meet their needs. In such occasions, a drop/add form must be completed by the student and signed by both instructors. If this is requested after the drop/add deadline, it will require the aforementioned completed form and approval from the Vice President of Academic Affairs. The
current grade from the first instructor will be transferred to the second instructor.

Course Withdraw
Students who wish to withdraw from a course after the refund date of the course is over will have a “W” grade recorded on their transcript and will be responsible for one-hundred-percent of their tuition and fees associated with that course.

COMPLETE WITHDRAWAL POLICY
A complete withdrawal is defined as a student withdrawing from all their courses for a given semester and not having plans of returning the subsequent semester. Procedure for a complete withdrawal from all classes:

1. Obtain a COMPLETE WITHDRAWAL form from the Registrar’s office or advisor.
2. Meet with Enrollment Management staff to complete form.
3. Return form to Registrar’s office. A “W” grade will be recorded on the student’s permanent record if the withdrawal is after one-quarter of the semester has passed.

A complete withdrawal will have an adverse effect on Federal Aid.

Adding/Dropping a Class—Effects on Tuition and Fees
If a student-initiated schedule change reduces the total amount of tuition and fees, 100 percent of the difference will be refunded as per the refund policy.

After the expiration of the refund period, an even exchange in tuition may be granted in the following situations:

- Change in section for the same 16-week class.
- Change in section for the same short-term class that begins during the same week and extends over the same number of weeks.
- Change from a higher-level Math or English class to a lower-level Math or English class in the same 8- or 16-week term.

If a student drops a class and adds a different class after the expiration of the refund period, the student will be required to pay the additional tuition and fees.

Students may obtain a copy of Policy 410, REFUND OF TUITION AND FEES, online at www.cowley.edu/policy/policy410.html.

Notice of Non-discrimination

Cowley County Community College and Area Vocational-Technical School is dedicated to providing equal opportunities to all individuals regardless of race, color, religion, sex, national origin, age, disability, veteran status, sexual orientation, genetic information, marital status, political affiliation or other legally protected category.

The college will provide all qualified individuals reasonable accommodations in the work and educational environment and ensure equal access to all College programs, activities and facilities.

The College does not discriminate in admissions, educational programs, or employment on the basis of any factor outlined above or prohibited under applicable law.

This prohibition against discrimination applies to College employees, students, contractors, or agents of the College and to anyone participating in a College-sponsored event or activity. Inquiries concerning the college’s compliance with its non-discrimination policies may be referred to the Executive Director for Student Affairs or the Director of Human Resources at 125 S Second St, Arkansas City, KS 67005 or by calling 620-442-0430.

Americans with Disabilities Act of 1990

It is the intention of the college to work toward full compliance with the Americans with Disabilities Act and to make its facilities accessible to students, staff, and visitors and to make the various instructional programs accessible to all people, or to provide reasonable accommodations according to the law.

It is Cowley College policy that no individual shall be discriminated against on the basis of disability in the full and equal enjoyment of the goods, services, facilities, privileges, advantages, or accommodations at the college.

ADVISEMENT

Cowley College advisors assist students by guiding them in planning a course of study, preparing them for graduation, exploring transfer options, and providing them with job search information. Students will become acquainted with their advisor during initial enrollment or New Student Orientation. The advisor is a key resource person. Students should contact their advisor on a regular basis to ensure that they are on the road to success at Cowley College.

WICHITA DOWNTOWN CENTER BOOKSTORE, Wichita
The Bookstore at the Wichita Downtown Center is located at 532 South Market Street. This full service bookstore serves Cowley students in the Mulvane and greater Wichita areas. In addition to required textbooks, students are also able to purchase computer software, school supplies and Cowley apparel. The Wichita Downtown Center Bookstore is open Monday through Thursday from 8:00 a.m. to 6:00 p.m. and on Friday from 8:00 a.m. to 4:30 p.m. For more information, please visit our website at www.cowleycollegebooks.com or call the bookstore at 316.683.6013 ext. 107.

COWLEY ONLINE BOOKSTORE
Unable to visit one of our convenient bookstore locations? No problem! Visit our online bookstore 24/7 at www.cowleycollegebooks.com for a complete listing of textbook requirements for all Cowley College courses. Students will find course requirement information including textbook title, author, edition, ISBN, new and used prices, as well and rental and digital options. Orders may be submitted on the secure website and shipped via UPS right to your front door!

TEXTBOOK COSTS
Full-time students can expect to pay an average of $500 per semester for textbooks. Required textbooks may be purchased at the Sid Regnier Bookstore on the Ark City campus, at the Wichita Downtown Center Bookstore in Wichita, or online at www.cowleycollegebooks.com.

Students who have been awarded a textbook scholarship, students who qualify for federal student aid, and those students who have written authorization on file to charge to a third party payee are eligible to charge textbooks to their student account.

TEXTBOOK REFUND POLICY
Students whose class has been cancelled or who have withdrawn from class are entitled to a 100% textbook refund based on the Cowley Bookstore refund schedule. Textbooks should be returned in the same condition in which you purchased them. Refer to your Cowley Bookstore Register Receipt for the last day to return textbooks.

TEXTBOOK SELLBACK & RENTAL RETURN
Textbook Sellback is a service provided by the Cowley Bookstore to students who wish to sell back textbooks that they do not want to keep for future reference. Students can return textbooks any day, but can expect to receive the best pricing for used textbooks during the posted sellback period, typically held during finals exam week at the conclusion of each semester.

Students who rent textbooks and students who are the recipient of a textbook scholarship are
REQUIRED to return all textbooks that were issued to them. Any rental or scholarship textbooks not returned by the deadline will be charged, at the full retail value, to the student.

**COUNSELOR SERVICES**

The Student Life Counselor provides professional mental health services designed to support students in the effective management of educational and personal challenges. All students currently enrolled at Cowley College are eligible for the free services, which include counseling, assessment, referral, education, and crisis intervention. All services are confidential. Appointments are available between 8 a.m. and 4:30 p.m., Monday through Friday, or by arrangement. To make an appointment, call the Student Life Counselor at 620.441.5228, visit the Counseling Services at www.cowley.edu/student_services/counsel.

In a mental health emergency after hours or on weekends, it is recommended that Four County Mental Health be contacted at one of its emergency numbers: 620.442.4554 or 620.221.9686. In Sedgwick County, the COMCARE Crisis Services number is 316.660.7500.

**COSMETOLOGY SALON**

Students can receive hair, nail, and skin services at the cosmetology salon. These services provided at a nominal fee, include hair-related treatments, as well as facials, and manicure services. All services are provided by students under the supervision of a licensed cosmetology instructor. Contact the cosmetology program at 620.441.5284 for appointment times.

**DINING SERVICES**

**Patrick J. McAtee Dining Center**

The Patrick J. McAtee Dining Center is the central location for on-campus dining. All housing students select a meal plan that best suits their needs. Several dining options are also available for non-resident students, faculty, staff, and the public. Meals may be purchased individually.

Cowley College’s food service provider is equipped to handle all catering needs such as weddings, picnics, receptions, company dinners, or any other specialized dining needs.

Contact the Food Service Director at 620.441.5271 for more information.

**The Tiger Deli**

The Tiger Deli offers a variety of options for lighter appetites or dinners on the go. The deli is located in the heart of The Jungle in the Nelson Student Center.

**HEALTH SERVICES**

The goal of Health Services is to assist and encourage students to maintain an optimum state of physical and mental wellness. Cowley College’s Health Services provides health care on an outpatient basis to all students enrolled at the college. We provide medical treatment for ill and injured students and have a comprehensive referral service that ensures access to community health care resources. Guidance and education in health matters to promote good health and prevent diseases also is provided. Health Services is staffed by a registered nurse and a consulting physician. All medical records are strictly confidential. Health Services is located in the Nelson Student Center in Room 207.

**HOUSING AND MEAL PLANS**

The Cowley College Campus, located in Arkansas City KS, has six dormitories that offer student housing for 500+ full-time students. Each resident has the option to select a meal plan that best suits their needs. The cost of the contract will depend on the meal plan selected. For current housing costs, go to www.cowley.edu/student_services/housing/cost.html.

Living in Cowley’s dorms provides a complete meal package of your choice, 24-hour security, free wireless internet service and a modem provided in each room, free on-site laundry facilities, free digital cable, central heating and air-conditioning, free wellness center membership, and computer labs/Study rooms in each dorm.

Students should plan ahead to secure housing accommodations. Rooms are assigned on a
first-come, first-serve basis, and space is limited. Contact the Housing Office at 620.441.5289 or go to www.cowley.edu/student_services/housing for more information.

SECURITY SYSTEM AND EMERGENCY WARNINGS

It is important for our students, faculty, and staff to be aware of weather developments, campus closings, security alerts, and other notifications provided by the college. Sign up to receive alert messages via email, text message, and/or voice message.

Go to www.cowley.edu/security/liveSafeApp to download the free app. (This application requires a smart device). You can also sign up for emergency and closure alerts through Blackboard Connect at www.cowley.edu/alerts

WELLNESS CENTER

The Ben Cleveland Wellness Center, located at 201 West Fifth Avenue, Arkansas City, features an aerobic circuit, cardiovascular machines, walking track, a stretching area, locker rooms, a full free weight room, and group exercise studio. The goal of the Wellness Center is to be results-oriented for those seeking improved health, fitness, and wellbeing. The Center is open to Cowley College students and members within the community. Group exercise classes consist of Zumba, Bootcamp, and Martial Arts. Personal Training is available upon request at the front desk.

Involvement Opportunities

ALUMNI ASSOCIATION

The college welcomes former students to visit campus to keep abreast of changes and to be aware of what is available for continued enrichment and growth. All alumni are asked to keep in touch with the college in order to receive information on opportunities available for alumni. A file of current addresses is maintained, and a semi-annual Tiger Alumni News is mailed out and can be accessed on the Web. Class reunions are held periodically, and an Outstanding Tiger Alumnus is honored each year at Commencement.

To keep in touch with us or to update your mailing addresses go to www.cowley.edu/alumni.

ATHLETICS

Intercollegiate Athletics

The college is a member of the Kansas Jayhawk Community College Conference and the National Junior College Athletic Association. Fifteen intercollegiate sports are offered: Volleyball, men’s and women’s Cross Country, men’s and women’s Basketball, men’s and women’s Indoor Track, Baseball, Softball, men’s and women’s Tennis, men’s and women’s Outdoor Track and Field, Wrestling, Tigerette Dance Line, and Spirit Squad.

Cowley College Tigers are respected competitors each year in all programs as the awards displayed in W.S. Scott Auditorium will attest. All 17 Cowley College sports programs are successful in the conference, the region, and at the national level.

College athletes are expected to be students first, with their participation in athletics a part of a well-rounded educational experience. Their personal conduct is expected to be in the highest tradition of amateur athletics. To be eligible for competition in events sponsored by the college, the athlete must conform to the rules of the NJCAA and of the KJCCC. Athletes must be a high school graduate or have received a high school equivalency diploma, or be certified as having passed a national test such as the GED.
Intramural Athletics
An extensive program of intramural sports is offered through the office of the Director of Student Life. All students are eligible to compete in intramural activities, which include both team and individual sports. Some of the intramural activities which have been provided are coed softball, coed volleyball, flag football (men), powder-puff football (women), men’s and women’s basketball, golf, tennis, swimming, soccer, beach volleyball, bowling, ping pong, foosball, air hockey, dodge ball, and pool tournaments.

CLUBS AND ORGANIZATIONS
Opportunities to participate in college activities are provided to enhance student and academic life and to encourage the development of performance and leadership skills. Clubs and organizations at Cowley College main campus include:

- Academic Civic Engagement through Service (ACES)
- Academic Excellence Challenge (AEC)
- Act One Drama Club
- Art & Design Club

STUDENT ACTIVITIES
A well-rounded program of intramural sports and recreational activities is offered at Cowley College. The activities program provides opportunities for fun, exercise, skill development, and socialization for college students, faculty, and staff. Some of the activities provided are professional performances, dances, winter homecoming activities, Intramurals, free movie nights, and free bowling nights. The Cowley College Student Senate works in conjunction with the activities director to establish the monthly activities. New activities may be added during the year as the demand and popularity dictate.

COWLEY COLLEGE STUDENT SENATE
The Cowley College Student Senate (CCSS) is an important and necessary group in the operation of student and college activities. Students are represented on key policy developments through CCSS members. With the assistance of a sponsor, CCSS organizes and sponsors a variety of student activities, represents students on faculty-college committees, charters student organizations, conducts all student elections, and provides an avenue for student opinion in the area of curriculum development. CCSS is the official voice of the student body and is composed of the President, the Vice President, the Secretary, and the Treasurer, representatives from each college student organization, and members-at-large. The four officer positions are elected each spring by the student body, faculty, and staff.
Degree Requirements

Cowley College awards the Associate of Arts, Associate of Science, Associate of General Studies, and the Associate of Applied Science degrees, as well as the College Certificate. A student must complete at Cowley College a minimum of 15 credit hours that count toward a degree or certificate, to qualify for a degree or certificate. If the student does not maintain continuous enrollment (excludes summer) for the AA, AS, or AGS degree, the student will be required to follow the graduation requirements that are in effect at the time of re-enrollment. When a student enrolled in an AAS or Certificate program returns after three (3) or more years and/or degree requirements have been changed, the student will be required to follow the graduation requirements that are in effect at the time of re-enrollment.

Those receiving the associate degree are expected to demonstrate the ability to communicate both orally and in writing, possess knowledge of mathematics and the physical world, and be aware of past and present cultures.

It is the student’s responsibility to see that graduation requirements are met.

ASSOCIATE DEGREES

Associates of Arts, Associate of Science, and Associate of General Studies degrees are awarded when a student completes a minimum of 62 credit hours and has a cumulative grade-point average (GPA) of or higher on all course work (including transfer hours) in an approved educational program. If a student does not maintain continuous enrollment (excludes summer), the student will be required to follow the graduation requirements that are in effect at the time of re-enrollment. In order to qualify for either the degree or certificate at Cowley College, a student must complete, at this institution, a minimum of 15 hours, which count toward the degree or certificate. Developmental courses cannot be used to fulfill degree requirements. The Associate of Arts or Associate of Science degrees as listed may not meet the requirement of the Transfer and Articulation Agreement.

ASSOCIATE OF APPLIED SCIENCE DEGREES

When a student returns after three (3) or more years or after degree requirements have changed and wants to complete an AAS degree, they will be required to follow the graduation requirements that are in effect at the time of re-enrollment.

If the student has worked in the trade, they can apply for Life Experience credit. Students may complete a competency test for vocational class credit and pay the appropriate fees. Test fees are $50.00 per test.

Graduation Process

GRADUATION APPLICATION

Students must fill out a Degree Application to graduate and file it in the Registrar’s office by the following dates:

- October 1 for Fall degree completion
- March 1 for Spring degree completion
- July 1 for Summer degree completion

Forms are available in the Admissions office on the main campus in Arkansas City, at all outreach centers, or online at www.cowley.edu/academics/registrar/degreeapp.html.

Students must be a high school or GED graduate to qualify for an associate degree. Cowley College awards the Associate of Arts, Associate of Science, Associate of General Studies, Associate of Applied Science degrees, and the College Certificate.

Those receiving the associate degree are expected to demonstrate the ability to communicate both orally and in writing, possess knowledge of mathematics and the physical world, and be aware of past and present cultures.

In order to qualify for either the degree or certificate at Cowley College, a student must complete a minimum of fifteen (15) credit hours at Cowley College, which counts toward the degree or certificate. Developmental courses cannot be used to fulfill degree requirements.

The Associate of Arts or Associate of Science degrees as listed may not meet the requirement of the Transfer and Articulation Agreement. Students who plan to complete an associate’s degree and transfer as a junior in their major should achieve the following goals:

1. Fulfill the lower-division (freshman/sophomore-level courses) general education requirements of the institution you plan to attend.
2. Every four-year college or university has different general education requirements. Transfer guides summarizing these requirements for the colleges and universities popular with Cowley College students are available at http://www.cowley.edu/academics/transfer.

For other schools, students should consult their catalog and/or contact the intended transfer institution for additional information. In most cases, if you select your general education coursework carefully, you can simultaneously satisfy the general education requirements for both Cowley College and the transfer institution.

3. Fulfill the lower-division requirements in your major field of study.
4. You should familiarize yourself with the criteria for admission into the specific program major at the college where you plan to transfer. In many cases, specific lower-division coursework is required. Ask for transfer guides for specific majors and/or consult the catalog of your transfer school.
5. When you are ready to transfer, obtain a Request for Transcript form from the Registrar or Admissions.
6. Complete the form, requesting that a transcript of your Cowley College coursework be sent to your transfer school. Be certain to verify that your transfer institution has received the transcript. If you experience difficulty in transferring any of your courses, contact the Registrar.

Generally, when a college official intercedes on behalf of the student, he or she is able to facilitate the resolution of transfer problems. Students need to work with their advisor to ensure proper transfer of credit to private and public four-year colleges and universities located out of state.
Associate of Arts Degree (AA)
This degree is designed to specifically meet the student’s educational objectives and needs through the completion of the general education distribution requirement. The courses are equivalent to lower-division courses offered at Kansas Regent’s universities.

Associate of Science Degree (AS)
This degree is designed to prepare students for transfer with advanced standing to 4-year colleges or universities. These programs are for students who plan to major in a science related discipline.

Associate of General Studies (AGS)

NOTICE OF NON-DISCRIMINATION
Cowley County Community College and Area Vocational-Technical School is dedicated to providing equal opportunities to all individuals regardless of race, color, religion, sex, national origin, age, disability, veteran status, sexual orientation, genetic information, marital status, political affiliation or other legally protected category.

The college will provide all qualified individuals reasonable accommodations in the work and educational environment and ensure equal access to all College programs, activities and facilities.

The College does not discriminate in admissions, educational programs, or employment on the basis of any factor outlined above or prohibited under applicable law.

This prohibition against discrimination applies to College employees, students, contractors, or agents of the College and to anyone participating in a College-sponsored event or activity. Inquiries concerning the college's compliance with its non-discrimination policies may be referred to the Executive Director for Student Affairs or the Director of Human Resources at 125 S Second St, Arkansas City, KS 67005 or by calling 620.442.0430.

TITLE IX COMPLIANCE
Students, their parents, and employees of Cowley College are hereby notified that the college does not discriminate on the basis of sex and is required by Title IX of the Education Amendments of 1972 not to discriminate on the basis of sex in its educational activities and employment practices. Any person having inquiries concerning Cowley College compliance with Title IX is directed to contact the Executive Director for Student Affairs, Cowley County Community College, 125 South Second Street, Arkansas City, KS 67005, 620.442.0430, who has been designated by the college to coordinate the institution’s efforts to comply with Title IX.

FERPA
The Family Educational Rights & Privacy Act (FERPA) of 1974, also known as the Buckley Amendment, is a federal law that protects the privacy of student education records. Schools must have written permission from the student in order to release any information from a student’s record.

A student has the right to file a complaint if the college fails to comply with the requirements of this law. A copy of the college’s policy may be obtained from the Registrar’s office. If Cowley College closes, access to academic and financial records will be kept on file with the Kansas Board of Regents. The college will assist current students in researching and locating an institution that meets their academic progress need.
