## Verification Worksheet

### Federal Student Aid Programs

Your application was selected for review in a process called "Verification." In this process, your school will be comparing information from your application with copies of you and your parent(s) or spouse's (if you are married) 2019 IRS Tax Return Transcripts, and W-2 forms or other financial documents. The law says we have the right to ask you for this information before awarding Federal aid. If there are differences between your application information and your financial documents, your school may need to make corrections electronically. Complete this verification form and submit it to the financial aid office as soon as possible, so that your financial aid won't be delayed.
