

Cowley Puzzlefest Competition

Description

Entrants will receive math puzzles which they solve as quickly as possible. The pieces of the puzzle are connected by associating an algebra or geometry question with the corresponding correct solution. The end result is a puzzle shape such as a hexagon, triangle or diamond.

Materials

Students will be provided with all necessary materials.

Scoring

The 1st student to correctly complete the puzzle will be awarded the first place prize. Second and third place prizes will be awarded to the 2nd and 3rd students who correctly complete the puzzle.
