Cowley College Security

- A feature of the Cowley College LiveSafe app -

From mental health to sexual assault, help keep our campus safe by letting Cowley College Security know what you see.

From the app home, tap "Report Tips" and select the tip type you want to submit to Cowley College Security.

Enter in the info you want to share. Add audio, photos, or a video clip. You can also send it anonymously.

Once you tap "Send Tip", Cowley College Security may start a live chat with you to ensure you and others are okay.
