

Mission, Vision, and Values

MISSION STATEMENT

Cowley College and Area Vocational-Technical School is committed to learning excellence and personal enrichment in an open access environment.

STATEMENT OF INSTITUTIONAL PURPOSE

We are committed to maintaining a quality institution by meeting and exceeding the expectations of customers through the following:

CORE VALUES

Cowley County Community College and Area Vocational-Technical School is dedicated to the continual pursuit of excellence by embracing our Core Values, the fundamental principles that guide our actions.

People

- We emphasize the importance of human relationships, diversity, and a sense of community.
- We provide student-centered instruction.
- We provide a safe, learning environment where joy, humor, and teamwork are embraced.
- We encourage open communication and the sharing of ideas.

Leadership

- We provide a positive atmosphere that fosters personal and professional growth.
- We empower students and employees to be innovative and visionary.
- We are an ethical leader in the field of education.

Integrity

- We regard honesty, trust, and respect as essential principles in our academic, personal and professional standards.

Accountability

- Our students will receive a quality education.
- The College will provide students the opportunity to take an active role in their success.
- All employees are responsible and committed to excellence.
- We are accountable to the community to educate students and to sustain and improve society.

What is The Cowley College Speakers Bureau?

Cowley College offers more than 68 majors and degree options. For more than 85 years, we have prepared members of our community to transfer to four-year institutions or to enter the workforce with a job-ready degree or certificate.

Now, Cowley College is pleased to offer a new service to both public and private groups.

Because **Cowley College is committed to learning excellence and personal enrichment in an open access environment**, we are eager to share a selection of educational and informative programs to enlighten and inspire your group.

We have assembled a list of presenters with expertise in a wide range of NDT, welding, machine tool, automotive, and other areas that would be delighted to speak to school groups, businesses, civic organizations or other interested parties.

We invite you to peruse the list of available topics and let us know how
