Wall/Ceiling Decorations

Cowley encourages students to personalize their rooms to make it feel more like home. However, there are some restrictions to what is allowed on the walls/ceilings. There is to be no painting, discoloring, or writing on any college property. Items can be hung on the walls with command strips or sticky tack only; push pins are applicable where there is drywall. Any type of tape, velcro, or any other adhesive other than command strips or sticky tack will remove paint. Absolutely no drilling, screwing, nailing, or cutting into the walls or furniture. Any damage to Cowley property will be billed to the student.
